ORDER

In the exercise of the Court's general administrative and supervisory authority over all courts, and in response to the "Petition for an Extension of Time to Comply with Order 18368" submitted by Madison County requesting an extension of time to migrate to eFileIL and allow e-filing through the existing stand-alone e-Filing systems from July 1, 2018, until July 1, 2023;

THEREFORE IT IS ORDERED that:

1. The Circuit Clerk's request for extension of time to migrate exclusively to eFileIL until July 1, 2023, is denied. Consistent with Madison County's Administrative Order mandating civil cases be e-filed progressively by December 1, 2017, the Circuit Clerk shall continue to mandate civil e-filing until the migration to eFileIL is complete.
2. Consistent with the Supreme Court's May 31, 2017 Order, Madison County shall make court documents and case information available to re:SearchIL by July 1, 2018.
3. The Circuit Clerk shall commit the necessary resources to migrate from the stand-alone e-filing system to eFileIL and "go-live" with permissive e-filing while allowing sufficient time to test and train on eFileIL in advance of the July 1, 2018 mandate.
4. The AOIC will engage with the Circuit Clerk and Tyler Technologies throughout the eFileIL migration and report to the Court should the stand-alone e-filing systems need to continue in operation after July 1, 2018.

Order Entered by the Court.
