Suggestions and Commission Responses

May 13, 2014

Comments/Suggestion: Do not use this form. Employees of the Circuit Clerk should be trained to give people asking for a waiver of fees and costs to assist people in completing an affidavit of assets and liabilities. Too many poorly educated people fall into the low income category. Handing out a form to a person who does not read well does not help that person.

Response: Thank you so much for your thoughtful comments in response to the fee waiver forms. We truly appreciate your comments, which have been carefully considered and the committee made changes to make the forms as simple to use while remaining legally sufficient. Thank you again for taking the time to review these forms and share feedback.
