

ADMINISTRATIVE ORDER ONE

The Circuit Clerks of the respective counties within the Third District of the Illinois Appellate Court are requested not to send to this Court with the record on appeal any physical evidence included in the record as an exhibit. Evidence of a descriptive or documentary nature, such as papers or photographs, should still be included in the record on appeal. If an exhibit of physical evidence is required for consideration on appeal, the Circuit Clerk may forward to the Clerk of this Court such exhibit only upon the written request of one of the Justices of this Court.

It is the further order of this Court that in preparing the record on appeal, Circuit Clerks are to submit for filing records containing the original documents from the Circuit Clerk's file and not photostatic copies unless such original papers do not exist.

THE THIRD DISTRICT APPELLATE COURT finds that a problem exists with regard to non-exempt appellants failing to pay the circuit courts of this district for the preparation of the record on appeal. The Court further finds that the circuit courts are nonetheless preparing the records and filing them with this Court in the belief that this Court may find them in contempt for failing to do so. This Court hereby declares that it will not require the circuit courts of this appellate district to prepare and file the record on appeal in any case where the appellant is required to pay a record-preparation fee but has failed to do so.

ADMINISTRATIVE ORDER
FORTY-SEVEN
(Modified May 19, 2010)

Pursuant to our authority under Supreme Court Rule 311(a)(6) to adopt mandatory procedures to ensure completion of Rule 311(a) appeals within 150 days after the filing of the notice of appeal, we hereby adopt the following local rules. These rules augment Rule 311(a) and will not excuse noncompliance with its specific terms.

1. The clerk of each circuit court in the Third District is ordered to:

A. Post a notice informing all attorneys and parties of the need to include the following statement in bold type on every document: **THIS APPEAL INVOLVES A QUESTION OF CHILD CUSTODY, ADOPTION, TERMINATION OF PARENTAL RIGHTS OR OTHER MATTER AFFECTING THE BEST INTERESTS OF A CHILD.**

B. Stamp every document, including but not limited to the notice of appeal and the record, which the circuit court clerks transmit to this court in a case falling within the scope of Supreme Court Rule 311(a), with the following statement in bold type: **THIS APPEAL INVOLVES A QUESTION OF CHILD CUSTODY, ADOPTION, TERMINATION OF PARENTAL RIGHTS OR OTHER MATTER AFFECTING THE BEST INTERESTS OF A CHILD.**

2. Extensions for preparation of the record on appeal shall be allowed only for the most compelling circumstances. Pursuant to paragraph (a)(4) of Rule 311, the trial court has the authority to allow one extension. In no event shall that extension total more than 10 days. The circuit court shall immediately notify the clerk of this court when any extension is granted and the length of such extension.

3. In order to expedite these appeals, the circuit court clerk is encouraged to file a certificate in lieu of record with this court in compliance with Supreme Court Rule 325 and to transmit the record directly to the appellant's attorney. The attorneys are encouraged to transmit the record directly between themselves with a notice to the clerk of this court of the date and method of transmission.

4. From the date the record on appeal is filed with this court, the appellant shall file his or her brief within 14 days; the appellee shall file his or her brief within 14 days from the appellant's due date; and the appellant shall file his or her reply brief, if any, within 7 days from the appellee's due date. Where there are multiple appellants or appellees, their briefs shall be due on the same

dates.

5. Briefs complying with Supreme Court Rules 341 and 342 shall be filed in all appeals.

6. This court will look with extreme disfavor upon any requests for extensions in the briefing schedule and will grant such requests only for the most compelling circumstances. As with all appeals, the briefing schedule will continue to run while any motions are pending.

7. Motions and responses thereto shall be filed by facsimile or in person with this court and shall be served upon the opposing party by facsimile or in person. Additionally, a hard copy shall be mailed to the court at the time of the facsimile transmission. The proof of service shall state that service by facsimile or in person has been made upon the opposing party and this court, and that a hard copy has been mailed to the court if the filing was by facsimile. The opposing party shall file its response, if any, within three days. Again, it should be noted that motions do not stay or extend the filing schedule.

ADMINISTRATIVE ORDER FORTY-EIGHT

Illinois Supreme Court Rule 341(e)(3) states that "[t]he appellant must include a concise statement of the applicable standard of review for each issue, with citation to authority, either in the discussion of the issue in the argument or under a separate heading placed before the discussion in the argument." This Court hereby orders that the appellant shall set forth the standard of review under a separate section entitled "Standard of Review." This section shall appear at the beginning of the arguments on each issue raised. If the appellee disagrees with the standard of review set forth by the appellant, appellee shall so indicate and shall likewise set forth its version of the applicable standard of review in a separate section at the beginning of each issue's argument section.

Setting forth the standard of review separately will aid this Court in determining prior to submission of the case whether this requirement has been met. Moreover, the appellee and the Court will be able to more easily determine the appellant's contention regarding the applicable standard of review.
