### **Committee Note**

720 ILCS 5/24-3 (West, 1999) (formerly Ill.Rev.Stat. ch. 38, §24-3 (1991)).

Give Instruction 18.15.

Give the bracketed portion of the last paragraph when evidence of an exemption is presented. Insert in the blank the applicable exemption. See Committee Note to Instruction 18.15.

See Committee Note to Instruction 18.15 for appropriate use of the bracketed phrase “other long gun” and the need for additional definition instructions.

Insert in the blank in the Third Proposition in the second set of propositions the misdemeanor conviction other than a traffic offense.

Insert in the blank in the Second Proposition in the fourth set of propositions the felony conviction.

Section 24-3, in part, provides that a person commits the offense of unlawful sale of firearms when he knowingly transfers a firearm to a person prohibited from possessing a firearm by reason of age, mental condition, prior convictions, or prior adjudication of delinquency. While Section 24-3 does require the mental state of knowledge, it does not indicate precisely which elements of the offense require knowledge on the part of the defendant. The statute appears to require that the transfer of the firearm be knowingly made but is less clear as to whether the defendant must also have knowledge of the status of the transferee as underage, a former mental patient, mentally retarded, or possessing a prior conviction or adjudication of delinquency. Section 4-3 provides that where, as here, a statute defining an offense prescribes a mental state with respect to the offense as a whole, without distinguishing among the elements thereof, the prescribed mental state applies to each element of the offense. Since the status of the transferee is an element of the crime under Section 24-3, the Committee is of the opinion that Section 4-3 requires the defendant to have knowledge of that status at the time the firearm is transferred. Therefore, this instruction includes a requirement that the State prove that the

defendant had knowledge of the relevant status of the person to whom the firearm was transferred. While the Committee is of the opinion that Sections 4-3 and 24-3 require this result, the Committee is not aware of any reported decision discussing the issue.

Use applicable paragraphs and bracketed material.

The bracketed numbers are present solely for the guidance of court and counsel and should not be included in the instruction submitted to the jury.

When accountability is an issue, ordinarily insert the phrase “or one for whose conduct he is legally responsible” after the word “defendant” in each proposition. See Instruction 5.03.
